# Administrative/Budget/Other

• FY 10-11 state operating funds for the Capitol Corridor and the other two state intercity passenger rail corridors should remain at the same level as the current operating budget.

• The House Subcommittee on Appropriations for transportation met on July 1 to discuss FY2011 appropriation levels: (1) the HSIPR capital grants program was reduced from \$2.5B allocated in FY2010 to a proposed level of \$1.4B; (2) PTC was increased from \$50M in FY2010 to a proposal of \$75M; and (3) no funding was identified to initiate Amtrak's Fleet Plan to replace its current dilapidated rail vehicles.
