

# 2014 Annual Steel Wheels Conference

**Saturday, February 1, 2014**  
**Los Angeles Metro Board Room**  
**at Union Station, Los Angeles**

**9:30 am - 3:30 pm • Doors Open 9:00 am**  
with a break for lunch (*not provided*)

## 2014 Conference Program Includes

*Once again RailPAC and NARP are presenting the annual Steel Wheels Conference, a must for rail advocates. Conveniently located at the Metro Board Room at Union Station this meeting will kick off the 75<sup>th</sup> anniversary of the station with information and discussion about the issues facing passenger rail.*

**Highlights include:** Dan Richard, Chair of the California High Speed Rail Authority will talk about Cap and Trade funds and the status of the project. Panels will discuss the Future of the National Network, building locomotives in California, LOSSAN Under new management, how Metrolink can meet its potential, and more. Speakers and presenters include Senator Alex Padilla, (invited) L.A. City Council member Tom LaBonge, Glendale City Council member Ara Najarian, LOSSAN Chair Fred Strong and other distinguished guests from government and industry.
